1 Introduction

This is my very first LaTeX document. I can write text, equations, and lists.

2 Math Example

Here is an inline equation: $E = mc^2$.
And a displayed equation:

$$a^2 + b^2 = c^2$$

3 Lists

Here is a bullet list:

- First item
- Second item
- Third item

Here is a numbered list:

1. Step one
2. Step two
3. Step three
